The space for presentation, exhibition and storage areas will be available for 35 Euro per square meter. Beer and merchandising products may be offered for sale at your own prices in Czech crowns. We are able to provide necessary equipment including stands. Professional tastings in the categories listed in the enclosed Categories & Specifications will take place in Hall R1 from 13th - 17th February 2017.

Participants can nominate their own qualified representative to be a member of the tasting jury. For professional tastings it is necessary to produce a sample of 8 litres (for each registered brand and type) in glass or plastic, no later than 48 hours before the tasting.
